1 **SECTION 3. ADJUSTMENT OF SPECIAL ASSESSMENTS UPON PROJECT**
2 **COMPLETION.** When the Project has been completed to the satisfaction of the Town
3 Commission, the Town Commission shall adopt a resolution determining the actual cost (including
4 financing costs) thereof. The Town shall credit to the special assessment hereby imposed, the
5 difference between the special assessment as hereby approved and the proportionate part of the
6 actual cost of the Project to be paid from the assessment, and in no event shall the adjusted amount
7 of the special assessment exceed the amount assessed hereunder.
8

9 **SECTION 4. PAYMENT OF SPECIAL ASSESSMENTS.** The special assessments shall be
10 payable in thirty yearly installments, with the first installment levied on first notice of ad valorem
11 taxes and assessments following completion of the Project. Notwithstanding the provisions of
12 Section 170.09, Florida Statutes, pursuant to the authority of Sections 170.12 and 166.021, Florida
13 Statutes, and Article VIII, Section 2(b) of the Constitution of Florida, the Town determines that (i)
14 the special assessments shall bear interest at the same rate of interest at which the Town issues
15 bonds or otherwise borrows funds to pay the cost of the Project, including any refinancing thereof,
16 commencing on the date on which such bonds or borrowed funds begin to bear interest, and shall
17 be levied in installments, including said interest, commensurate with the principal and interest
18 requirements on such bonds or other borrowing, (ii) the special assessments shall not be subject to
19 prepayment at any time after the earliest of (a) the date that debt is incurred by the Town to finance
20 the Project, (b) the date on which the Town enters into a contract or binding commitment for the
21 incurrence of such debt or (c) the last date for prepayment specified in a notice mailed by the Town
22 to the property owners not later than thirty days before such final date, and (iii) in the event of a
23 reduction in the debt service requirements of the said bonds or other borrowing, whether as a result
24 of prepayment from funds other than the special assessments or a refinancing thereof, the special
25 assessments shall be reduced in proportion to such reduction.
26

27 **SECTION 5. METHOD OF COLLECTION OF SPECIAL ASSESSMENTS.** The special
28 assessments imposed hereby shall be collected using the uniform method of collection of non-ad
29 valorem assessments authorized by Section 197.3632, Florida Statutes. The Town will timely take
30 all necessary action to comply with the provisions of said Section 197.3632, Florida Statutes. The

Town of Hillsboro Beach, Florida
Special Assessment Revenue Bonds, Series 2020**

1.0 Background

The Town of Hillsboro Beach, Florida ("Town") has found that it is necessary, and in the public interest, to periodically re-nourish of portions of the beaches in the Town to protect the health, safety and welfare of the residents and landowners in the Town. In order to continue the Town's beach protection program, the Town must have: (1) a point of access owned by the Town over which material, equipment and manpower may access the beach from the landside, and (b) a Town-owned staging area for such material, equipment and manpower. The Town has identified, and entered into a contract to purchase land ("Land"), that subject to the completion of the Town's due diligence activities, may be suitable for access and staging. Town Commission is considering imposing special assessments to fund the acquisition and improvement of the Land for the foregoing purposes (the "Project"), should the Town Commission determine to proceed with the purchase of the Land.

2.0 Special Assessments for the Project

2.1 Requirements of a Valid Assessment Methodology

Valid special assessments under Florida law require two things. First, the properties assessed must receive a special benefit from the improvements paid for via the assessments that exceeds the burden of the debt placed upon them. Second, the assessments must be fairly and reasonably allocated to the properties being assessed in proportion to the benefits they will receive.¹

If these two characteristics of valid special assessments are adhered to, Florida law provides wide latitude to legislative bodies, such as the Town Commission, in approving special assessments. Indeed, Florida courts have found that mathematical precision is probably impossible, but if reasonable people disagree the assessment will be upheld. Only if the Commission was to act in an arbitrary, capricious or grossly unfair fashion would its assessment method be overturned.

¹ City of Winter Springs v. State, 776 So.2d 255 (Fla 2003) and City of Boca Raton, v. State, 595 So.2d 25 (Fla 1992)

One of the leading cases concerning special assessments is *City of Winter Springs v. State of Florida*.² A number of aspects of the Supreme Court's decision bear on the benefit special assessments contemplated here. First, concerning the special benefits the Court noted, "If reasonable persons may differ as to whether the land assessed was benefitted by the local improvement, the findings of the city officials must be sustained." Second, the Court stated that "... though a court may recognize valid alternative methods of apportionment, so long as the legislative determination by the City is not arbitrary, a court should not substitute its judgment for that of the local legislative body."

2.2 Special Benefits and General Benefits

The Project under consideration will create both: (1) special benefits to properties in the Town ("Properties") and (2) general benefits to properties inside and outside the Town. However, as discussed below, these general benefits are incidental in nature and are readily distinguishable from the special benefits which accrue to the Properties.

The Florida Supreme Court has provided clear guidance concerning what constitutes a special benefit in *Lake County v. Water Oak Management*.³ "In evaluating whether a special benefit is conferred to property by the services for which the assessment is imposed, the test is not whether the services confer a "unique" benefit or are different in type or degree from the benefit provided to the community as a whole; rather, the test is whether there is a "logical relationship" between the services provided and the benefit to real property. *Whisnant v. Stringfellow*, 50 So.2d 885 (Fla.1951); *Crowder v. Phillips*, 146 Fla. 440, 1 So.2d 629 (1941)(on rehearing).... It is not necessary that the benefits be direct or immediate, but they must be substantial, certain, and capable of being realized within a reasonable time."

Considering the special assessments here, it is clear that there is a logical relationship between the services provided by the Project and the benefit to the real property. There is an extensive professional literature concerning the costs and benefits of beach re-nourishment and protection programs similar to the one the Town is considering for the Project. Appendix 1 provides the authoritative literature and references reviewed for this report.

² *City of Winter Springs v. State*, 776 So.2d 255 (Fla 2003)

³ *Lake County v. Water Oak Management*, 695 So. 2nd 667 (Fla. 1997)

Maintaining coastal beach and dune systems is well recognized to protect against storm damage to infrastructure and property and to protect the health, safety, and welfare of the community.⁴ Both the State and many local governments in Florida have invested millions in beach re-nourishment projects justified in part for their storm attenuation effects.⁵

The beaches provide an important source of recreation for the Town. Numerous studies have reported upon the importance of beaches as a recreational asset as documented in the Appendix.

Beach erosion is widely recognized as a threat to property value. Studies by Pompe (1995), Blackwell (2011), and Stronge (2014) demonstrate the value to properties from beach re-nourishment. There are numerous examples of local governments imposing special assessments to fund beach re-nourishment programs primarily to protect property and property values.⁶

Properties located outside of the Town may benefit from the Project. However, these benefits are incidental. Clearly properties located outside of the Town will not enjoy the same level of use and enjoyment from the Project compared to those properties in the Town. Furthermore, the Project will preserve and enhance property values in the Town, and it is unlikely to do so for properties not in the Town. Based upon the foregoing factors and the expected cost of the Project hereinafter described, the benefits to be provided from the implementation of the Project exceed the burden of the assessments to be imposed.

2.3 Special Benefit and Equitable Apportionment

As noted above, valid special assessments must meet the two-pronged test set out in *Boca Raton v. Florida* and *City of Winter Springs v. Florida*. First, the properties assessed must receive a special benefit that exceeds the burden of the debt to be imposed. Second, the assessments must be fairly allocated to the properties being assessed in proportion to the benefits they will receive. Since the issue of special benefit was discussed in Section 2.2, this section focuses on equitable apportionment.

⁴ Florida Department of Environmental Protection (2019), U.S. Army Corps of Engineers (2007)

⁵ Florida Department of Environmental Protection (2019), Miami-Dade County (2018), Broward County (2019), Martin County (2019),

⁶ See for example <http://saissa.com/>

As noted above the Florida Supreme Court found that the precise manner used to apportion the costs are immaterial so long as the amount of the assessment is not in excess of the proportional benefits as compared to other assessments on other properties. Governments have used a wide variety of apportionment methods including front feet, property value, and trip rates.

In 2010 the Town imposed special assessments to fund a beach re-nourishment project ("2010 Project"). In support of the 2010 special assessments the Town found that the 2010 Project conferred special benefits on all properties in the Town, except for any properties with no beach access that were to be exempted from the 2010 special assessments. The 2010 special assessments were allocated to the specially benefitting properties using a two-part formula composed of: (1) equivalent residential units ("ERU") and (2) front feet ("FF"). This type of two part assessment allocation formula is widely used for special assessments.

The ERU method is widely used in Florida, and it was favorably cited by the Florida Supreme Court in its Winter Springs decision noted above. The Town's ERU methodology classified all single-family parcels as 1 ERU, except for one parcel for the 2010 Project that has two homes on the site. Condominiums, cooperatives, and villas are assigned 1 ERU per unit. Hotel properties are allocated 1 ERU per rental unit. Vacant properties are assigned $\frac{1}{2}$ ERU for each unit approved through a valid Town building permit still in effect. For the resort property only the rental units were allocated ERUs. The dormitory units for staff use while working at the property were not included. After review, this method remains valid for use in the 2020 special assessments.

The FF method is also widely used throughout Florida, and it is mentioned in Section 170.02, F.S. The Town used FF as part of the apportionment methodology in 2010.

FF are measured for all parcels of assessable property based on their addresses and the street that the property fronts on. For condominiums and similar properties, each unit is allocated its pro rata share of the FF for the parcel as a whole. Parcels with property on both sides of A1A are allocated FF for both pieces of property. After review this method also remains valid for use in the 2020 special assessments.

The 2010 special assessments combined the ERU count and FF total using the following weighting: 90% ERU and 10% FF. These weights still reasonably reflect the benefits from the 2010 Project and are consistent with the special benefits from the 2020 Project which is required to support future beach re-nourishments.

In 2010 the Town sought judicial validation of the bonds to be issued by the Town to pay for the 2010 Project. The Circuit Court determined that the 2010 "Project will constitute and result in a special benefits, peculiar to all parcels of real property to be listed on said final assessment roll, as a logical relationship between the systems, facilities and services (project improvements) provided and the property itself, different in kind and degree than any general or community benefit, and that such special and peculiar benefit, in the case of each such parcel, will be in excess of the amount of the non-ad valorem special assessment thereon and in excess of the costs."⁷ The allocation of benefits from the 2010 Project remains a valid allocation method to be applicable to the Project, and as provided in Section 4.0 is adopted in this Report.

3.0 The Financing Plan

As discussed previously, The Town is considering acquiring the Land and improving it to produce the 2020 Project. The estimated cost of the 2020 Project is \$15,000,000 as shown in Table 1.

Table 1. Cost of the Project

Items of Estimated Cost	Amount

To fund the Project cost the Town is considering issuing 30-year bonds. Table 2 presents the estimated sizing of the bonds needed to provide the Project funding.

4.0 Allocation of Benefit Special Assessments

Table 3 shows the allocations. The methodology allocates 10% of the cost to the Properties based on their FF amounting to \$1,668,000 allocated on this basis. The balance of the cost of \$15,012,000 is allocated to the Properties using the ERUs. The cost per FF component is \$80.59 per FF and \$6,338.19 per ERU. Table 4 provides the preliminary tax roll for the Project and the Series 2020 Bonds.

5.0 Financing Structure, Collection and Administration of the Special Assessments

The Project may be financed through the use of debt, which will be payable from, and secured by the special assessments. If the Project is so financed, the special assessments will be collected in installments as the debt comes due. Based on current market conditions and forecasts, the principal amount of debt to pay for the Project is estimated not to exceed \$16,680,000 and the term of the debt will be approximately 30 years, meaning that the assessments would be paid in 30 installments (if not prepaid in full).

If special assessments are levied, it is recommended that they be collected based on the uniform method for the levy, collection, and enforcement of special assessments under Chapter 197, Florida Statutes. Assessments will be levied upon those benefitted properties that do not totally prepay their allocable share of the total estimated cost of the Improvements.

Since there are costs associated with the collection of the special assessments by the uniform method of collection, these costs must be included in the special assessment levy. These costs generally include a 1% fee for the County Property Appraiser and a 1% collection fee for the County Tax Collector, along with a 4% discount for early payment of taxes. Thus, the total assessment of \$16,680,000, and the annual installments thereof, are to be increased by an amount sufficient to pay the Appraiser and the Tax Collector fees and so that the net assessment collected assuming the 4% discount for early payment equals \$16,680,000. If the total assessment of \$16,680,000 is reduced upon completion of the Project, the reduced amount will likewise be increased in order to provide for the payment of the fees and to allow for the early payment discount.

Assuming a debt issuance of \$16,680,000, an estimated interest rate of 5% per annum and a 30-year repayment period, and including a 2% allowance for collection costs and a 4% allowance for discounts for early payment, the estimated annual assessment per parcel is shown in Table 4.

Note that the parcels that comprise the Land to be acquired as part of the Project are currently included on the tax roll in Table 4. However, upon acquisition by the Town, that Land will not be subject to the assessments, and the assessment that would have been imposed upon the Land will be re-allocated to the other parcels being assessed on a proportionate basis using the methodology described herein.

Finally, the tax roll may be updated from time to time based on changes to the number of ERUs or front feet should these parameters change from the amounts shown in Table 4.

ARTICLE II

THE BONDS

Section 2.01. Limitation on Issuance of Bonds. No obligations of the Town payable from or secured by the Special Assessments may be issued except in accordance with the provisions of this Article II.

Section 2.02. Authorization of Bonds. Subject and pursuant to the provisions of this Resolution, debt obligations of the Town to be known as "Special Assessment Revenue Bonds (Beach Renourishment Project)" are authorized to be issued in one or more series under and secured by this Resolution, in an aggregate principal amount not to exceed \$16,680,000.00, for the purposes of (i) financing the Cost of the Project and (ii) refinancing any previously issued Bonds. The designation of Bonds issued for the purpose, in whole or in part, of refinancing previously issued Bonds shall include the word "Refunding." The designation of Taxable Bonds shall include the word "Taxable." For the purpose of calculating the permitted principal amount of Bonds issued, any Bonds which are to be or which have been refunded shall not be taken into account except to the extent of the principal amount thereof paid, whether prior to or after the issuance of the refunding Bonds, from proceeds of the Special Assessments.

All Bonds shall be on a parity with all other Bonds for all purposes of this Resolution, including the right to payment and lien on the Special Assessments and amounts in the funds and accounts established hereunder.

After the issuance of any Tax-Exempt Bonds, no other Bonds shall be issued unless, in the opinion of Bond Counsel, the issuance of such Bonds will not result in the interest on any Tax-Exempt Bonds becoming includable in the gross income of the Owners thereof for federal income tax purposes.

Section 2.03. Description of Bonds; Medium of Payment. Each series of Bonds shall bear a series designation to distinguish it from all other series of Bonds, shall be dated, shall be stated to mature, subject to the right of prior optional or mandatory redemption, or both, if any, on such dates within thirty one years from the date of issuance of the first series of Bonds hereunder, shall be in the principal amount, shall bear interest at such rate or rates not in excess of the maximum rate permitted by law, payable on such Interest Payment Dates, shall be in registered form, shall be issued in Authorized Denominations, shall have such other details, and shall be sold in such manner to such purchasers upon the payment of such purchase price, all as shall be provided herein and in a Supplemental Resolution applicable to such series of Bonds.

The principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

Section 2.04. Execution of Bonds. The Bonds shall be executed on behalf of the Town with the manual or facsimile signature of the Mayor and shall have impressed or imprinted thereon the official seal of the Town or a facsimile thereof, and be attested with the manual or facsimile signature of the Clerk. All authorized facsimile signatures shall have the same force and effect as if manually signed. In case any officer whose manual or facsimile signature shall appear on the

1 Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such
2 facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such signatory
3 had remained such officer until delivery. Any Bond may be executed on behalf of the Town by a
4 person who, at the time of execution is the proper person, although on the date of such Bond that
5 person was not the proper person.
6

7 Section 2.05. Authentication. No Bond shall be valid or obligatory for any purpose or be
8 entitled to any security or benefit under this Resolution unless and until a certificate of
9 authentication on such Bond has been duly executed on behalf of the Paying Agent by the manual
10 or facsimile signature of its authorized signatory; such executed certificate of the Paying Agent
11 upon any Bond shall be conclusive evidence that such Bond has been authenticated and delivered
12 under this Resolution. The Paying Agent's certificate of authentication on any Bond shall be
13 deemed to have been executed by it if signed by an authorized signatory of the Paying Agent, but
14 it shall not be necessary that the same signatory execute the certificate of authentication on all of
15 the Bonds. At least one of the signatures on each Bond required by Section 2.04 or 2.05 hereof
16 shall be a manual signature.
17

18 Section 2.06. Form of Bonds. The Bonds are to be in substantially the form set forth on
19 Exhibit A attached hereto, with such variations, omissions and insertions as permitted or required
20 by this Resolution or a Supplemental Resolution.
21

22 Section 2.07. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is
23 mutilated, lost, stolen or destroyed, the Town shall execute and the Paying Agent shall authenticate
24 a new Bond of the same series, of like date, interest rate, maturity and denomination to that of the
25 mutilated, lost, stolen or destroyed Bond; provided that, in the case of any mutilated Bond, such
26 mutilated Bond shall first be surrendered to the Paying Agent, and in the case of any lost, stolen
27 or destroyed Bond, there first shall be furnished to the Town and the Paying Agent evidence of
28 such loss, theft or destruction satisfactory to the Paying Agent and not objected to by the Town,
29 together with an indemnity satisfactory to the Paying Agent and not objected to by the Town. In
30 the event any such Bond shall have matured or been called for redemption, instead of issuing a
31 duplicate Bond, the Paying Agent, on behalf of the Town, may pay the same without surrender
32 thereof, making such requirements as it deems fit for its protection and that of the Town, including
33 the furnishing of evidence and indemnity the same as in the case of the issuance of a new Bond.
34 The Town and the Paying Agent may charge the Owner of such Bond with their reasonable fees
35 and expenses for such service and any tax or other governmental charge in connection therewith.
36

37 Section 2.08. Registration and Exchange of Bonds; Persons Treated as Owners. So long as
38 any of the Bonds shall remain unpaid, the Town will cause books for the registration and transfer
39 of such Bonds to be maintained and kept at the Principal Office of the Paying Agent, acting, only
40 for purposes of Treasury Regulation Section 5f.103-1(c)(1)(i), as agent of the Town. The Bonds
41 shall be transferable only upon the Bond Register. Notwithstanding the foregoing, a Supplemental
42 Resolution may authorize the issuance of Taxable Bonds in bearer form.
43

44 At reasonable times and under reasonable regulations established by the Paying Agent, the
45 Bond Register may be inspected and copied by the Issuer, any Insurer, or by any Owner (or a
46 representative of one or more Owners) of ten percent (10%) or more in aggregate principal amount
47 of Bonds then Outstanding.
48

1 Bonds of any series may be exchanged, at the option of their Owner, for Bonds of any
2 authorized denomination or denominations of the same series in an aggregate principal amount
3 equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate
4 and maturing on the same date or dates as, the Bonds being exchanged. The exchange shall be
5 made upon presentation and surrender at the Principal Office of the Paying Agent of the Bond
6 being exchanged, duly endorsed for exchange (or accompanied by an assignment duly executed)
7 by the Owner or the Owner's attorney-in-fact duly authorized in writing.
8

9 Any Bond may be transferred upon presentation and surrender at the Principal Office of
10 the Paying Agent of the Bond being transferred, duly endorsed for transfer (or accompanied by an
11 assignment duly executed) by the Owner or the Owner's attorney-in-fact duly authorized in
12 writing. Upon transfer of any Bond the Paying Agent shall deliver to the transferee a new Bond or
13 Bonds of the same series registered in the name of the transferee, of any authorized denomination
14 or denominations in an aggregate principal amount equal to the unmatured and unredeemed
15 principal amount of, and bearing interest at the same rate and maturing on the same date or dates
16 as, the Bond presented and surrendered for transfer.
17

18 In all cases in which Bonds shall be exchanged or transferred hereunder, the Town shall
19 execute, and the Paying Agent shall authenticate and deliver Bonds in accordance with the
20 provisions of this Resolution. In each case, the Town and the Paying Agent may require the
21 payment by the Owner requesting exchange or transfer of any tax or other governmental charge
22 required to be paid with respect to such exchange or transfer and such charge shall be paid before
23 a new Bond is issued.
24

25 Neither the Town nor the Paying Agent shall be required to transfer or exchange any Bond
26 of a series during the period beginning ten Business Days before the date of the mailing of a notice
27 of redemption of Bonds of such series and ending at the close of business at the Principal Office
28 of the Paying Agent on the day of such mailing, or to transfer or exchange any Bond called for
29 redemption, in whole or in part.
30

31 Bonds delivered upon any transfer or exchange as provided herein, or in replacement of a
32 lost, stolen, destroyed or mutilated Bond as provided in Section 2.07 hereof, shall be valid limited
33 obligations of the Town, evidencing the same debt as the Bonds surrendered for transfer or
34 exchange, mutilated, lost, stolen or destroyed, shall be secured by this Resolution and shall be
35 entitled to all the security and benefits hereof to the same extent as the Bonds surrendered for
36 transfer or exchange, mutilated, lost, stolen or destroyed, as the case may be.
37

38 The Person in whose name any Bond shall be registered on the Bond Register shall be
39 deemed and regarded as the absolute owner thereof for all purposes, and payment of principal and
40 interest on any Bond shall be made only to or upon the written order of the Owner or the Owner's
41 duly authorized attorney-in-fact. All such payments shall be valid and effectual to satisfy and
42 discharge the liability upon such Bond to the extent of the sum or sums so paid.
43

44 Section 2.09. Destruction of Bonds. Whenever any Bond shall be delivered to the Paying
45 Agent upon payment of the principal amount, in whole or in part, and interest represented thereby,
46 or for replacement pursuant to Sections 2.07 or 2.08 hereof, or otherwise for cancellation, such
47 Bond shall be promptly canceled and cremated or otherwise destroyed, and a certificate of

1 destruction evidencing such cremation or other destruction shall be retained by the Paying Agent
2 and a copy thereof shall be forwarded to the Town upon request.
3

4 Section 2.10. Issuance of Bonds. Prior to the issuance of any series of the Bonds there shall
5 be filed with the Paying Agent:
6

7 (1) A copy, duly certified by the Clerk, of this Resolution and the Supplemental
8 Resolution or Resolutions adopted by the Town authorizing the issuance of such series of
9 Bonds and fixing the details thereof;
10

11 (2) A request and authorization of the Town to the Paying Agent, signed by the
12 Mayor, to authenticate and deliver the Bonds to the Original Purchaser, upon payment to
13 or for the account of the Town, of a sum specified in such request and authorization;
14

15 (3) A copy, duly certified as being in full force and effect by the Clerk, of the
16 Assessment Resolution; and
17

18 (4) An opinion or opinions of Bond Counsel to the effect that the issuance of
19 such Bonds is permitted hereby and by applicable law.
20

21 **ARTICLE III**

22 **REDEMPTION OF BONDS BEFORE MATURITY**

23 Section 3.01. Authorization of Redemption Provisions. The Bonds may be subject to
24 redemption prior to maturity in the manner and on such date or dates as specified by Supplemental
25 Resolution(s).
26

27 Section 3.02. Notice of Redemption. Unless otherwise provided in a Supplemental
28 Resolution for a series of Bonds, notice of the call for any redemption of Bonds shall be given by
29 the Paying Agent by mailing a copy of a redemption notice by Mail, at least thirty days and not
30 more than sixty days prior to the date fixed for redemption, to the Owner, as shown on the Bond
31 Register at the close of business at the Principal Office of the Paying Agent on the Record Date,
32 of each Bond to be redeemed in whole or in part at the address of such Owner shown on the Bond
33 Register. No notice of the optional redemption of Bonds may be given unless funds for such
34 redemption are irrevocably deposited with the Paying Agent prior to giving such notice or unless
35 the notice expressly states that the redemption is subject to deposit of funds by the Town. The
36 notice of redemption shall state:
37

- 38 (i) the redemption date;
39
40 (ii) the redemption price;
41
42 (iii) the date of the notice of redemption;
43
44 (iv) the series designation of the Bonds being redeemed;
45
46
47

1 (v) if less than all Bonds of a series or maturity are to be redeemed, the
2 distinctive numbers and letters, including CUSIP numbers, if any, of such Bonds to
3 be redeemed;

4
5 (vi) in the case of Bonds to be redeemed in part only, the portion of the
6 principal amount thereof to be redeemed;

7
8 (vii) that on the redemption date the redemption price will become due
9 and payable upon each such Bond or portion called for redemption, and that,
10 sufficient moneys being on hand with the Paying Agent and available to pay such
11 redemption price, interest thereon shall cease to accrue from and after said date;

12
13 (viii) the place where such Bonds are to be surrendered for redemption;
14 and,

15
16 (ix) if any Bond is to be redeemed in part only, the notice of redemption
17 which relates to such Bond shall also state that on or after the redemption date, upon
18 surrender of such Bond, a new Bond or Bonds in a principal amount equal to the
19 unredeemed portion of such Bond will be issued.
20

21 The failure to give such notice, or any defect therein, shall not affect the validity of any
22 proceedings for the redemption of any Bond with respect to which no such failure has occurred.
23 Any notice prepared and mailed as provided in this Section shall be conclusively presumed to have
24 been duly given, whether or not the Owner receives the notice.
25

26 A notice of redemption may be conditioned upon the availability of funds to pay the
27 redemption price of the Bonds to be redeemed on the redemption date, or to any other condition
28 specified by the Town, and in such event, the notice of redemption shall expressly state that it is
29 subject to such condition. In the event that a conditional notice of redemption is given and in the
30 event that the condition is not satisfied, such Bonds shall continue to be Outstanding as if such
31 notice had not been given. Provided, however, that in such event the Paying Agent shall on behalf
32 of the City Mail a notice to the Owners of the Bonds subject to such conditional notice stating that
33 the condition to the call was not satisfied and that the Bonds shall remain outstanding.
34

35 The Paying Agent shall send an additional copy of the redemption notice, by certified mail,
36 to any Owner of a Bond called for redemption in whole or in part which has not been presented
37 for redemption by the sixtieth day after the redemption date, such notice to be sent by the Paying
38 Agent at any time after the sixtieth day after the redemption date and before the ninetieth day after
39 the redemption date. Failure of the Paying Agent to send any such additional notice shall not affect
40 the validity of any proceedings for the redemption of Bonds.
41

42 Section 3.03. Redemption Payments. Upon the giving of notice of redemption in
43 accordance with Section 3.02 hereof, the Bonds or portions thereof called for redemption shall
44 become due and payable on the redemption date at the redemption price and, if the funds necessary
45 to effect such redemption are on deposit with the Paying Agent and available therefor, such Bonds
46 or portions thereof shall cease to bear interest from and after the redemption date; and such Bonds
47 or portions thereof shall cease from and after the redemption date to be entitled to any benefit of
48 or security under this Resolution, and the Owners thereof shall have no rights in respect of such

1 Bonds or portions thereof except the right to receive payment of the redemption price thereof. If
2 any Bond or portion thereof called for redemption shall not be paid at the redemption date or upon
3 surrender thereof for redemption, whichever is the later to occur, because moneys necessary to
4 effect such redemption are not on deposit with the Paying Agent and available therefor, such Bond
5 shall continue to bear interest as if it had not been called for redemption.
6

7 All moneys deposited with the Paying Agent for the redemption of particular Bonds or
8 portions thereof shall be held in trust for the account of the Owners thereof and not for any other
9 Bonds, and shall be paid to such Owners, respectively, upon presentation and surrender of those
10 Bonds.
11

12 Section 3.04. Partial Redemption of Bonds. Unless otherwise provided by Supplemental
13 Resolution, in the case of any partial redemption of Bonds of a particular series and maturity or
14 maturities the Paying Agent shall select from such series and maturity or maturities the Bonds or
15 portions thereof to be redeemed by lot or in such other random manner as the Paying Agent in its
16 discretion may deem proper and, for this purpose, each unit of principal amount of the smallest
17 Authorized Denomination (a "Unit") represented by any Bond shall be considered a separate Bond
18 for purposes of selecting the Bonds to be redeemed. In case a Bond is of a denomination larger
19 than a Unit, a portion of such Bond in an Authorized Denomination may be redeemed, but Bonds
20 shall be redeemed only in the principal amount of Authorized Denominations. If it is determined
21 that one or more, but not all, of the Units of principal amount represented by any Bond is to be
22 called for redemption, then, upon notice of intention to redeem such principal amount of such
23 Bond, the Owner of such Bond shall surrender such Bond (at the place designated in the notice of
24 redemption) for payment to such Owner of the redemption price of the principal amount of such
25 Bond called for redemption. If the Owner of any Bond shall fail to present such Bond to the Paying
26 Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and
27 payable on the date fixed for redemption to the extent of the Units of principal amount called for
28 redemption (and to that extent only).
29

30 Upon surrender of any Bond for redemption in part only, the Town shall execute and the
31 Paying Agent shall authenticate and deliver or cause to be delivered to the Owner thereof, without
32 charge, a new Bond or Bonds of the same series and the same interest rate and maturity, of
33 Authorized Denominations, in an aggregate principal amount equal to the unredeemed portion of
34 the Bond surrendered.
35

36 Section 3.05. No Partial Redemption After Default. Anything in this Resolution to the
37 contrary notwithstanding, if the payment of principal or interest on the Bonds shall not be made
38 when due and such default shall be continuing, there shall be no optional redemption of less than
39 all of the Bonds Outstanding, unless such optional redemption shall cure such default.

ARTICLE IV

GENERAL COVENANTS OF ISSUER

Section 4.01. Levy of Special Assessments; Payment of Bonds. The Town will impose and take all lawful and necessary action to collect Special Assessments in amounts, subject to the limitations set forth herein, in the Assessment Resolution and in the Act, sufficient to pay the principal of and interest on the Bonds. The amount of Special Assessments shall not exceed the amount provided for pursuant to the Assessment Resolution.

Section 4.02. Payment of Principal and Interest; Limited Obligation. The Town covenants that it will promptly pay the principal of and interest on every Bond at the place, on the dates and in the manner provided herein and therein, provided that the principal of and interest on the Bonds are payable solely from the Trust Estate and nothing in the Bonds or in this Resolution shall be construed as pledging any other funds or assets of the Town. The Town shall not be liable for the payment of the principal of and interest on any of the Bonds or for the performance of any pledge, obligation or agreement undertaken by the Town from any property other than the Trust Estate.

Section 4.03. Enforcement of Payment of Special Assessments. The Town will diligently and faithfully within the time required by law institute such actions to enforce the collection of all Special Assessments and any interest and penalties thereon in the manner provided by the Assessment Resolution and the Act. The Town will take all lawful action within its power to cause the Special Assessments to be levied and collected using the uniform method for the collection of non-ad valorem assessments provided for in Section 197.3632, Florida Statutes. Any proceeds received by the Town (net of any costs of such action) from any action instituted to enforce the collection of any delinquent Special Assessments, including any proceeds from the sale of lands or tax certificates, shall be deposited into the Bond Fund or Reserve Fund as provided in Sections 5.07 and 5.09 hereof.

Section 4.04. Performance of Covenants. The Town covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Resolution and in any and every Bond executed, authenticated and delivered hereunder and in all of its proceedings pertaining hereto. The Town warrants that it is duly authorized under the Constitution and laws of the State, including particularly and without limitation the Act, to issue the Bonds authorized hereby and to adopt this Resolution, and to pledge the Special Assessments and other amounts hereby pledged in the manner and to the extent herein set forth, that all action on its part for the adoption of this Resolution has been duly and effectively taken, and that the Bonds in the hands of the Owners will be valid and enforceable obligations of the Town according to the terms thereof and hereof.

Section 4.05. Instruments of Further Assurance. The Town will take such further reasonable acts as may be necessary for the better pledging to the Owners and the Paying Agent the amounts pledged hereby to the payment of the principal of and interest on the Bonds.

Section 4.06. Books and Records. The Town shall keep an accurate record of the levy and the collection of the Special Assessments. At any and all reasonable times the Owners and any Insurer(s), and their duly authorized agents and representatives, shall have the right to inspect any and all books and records of the Town pertaining to the Special Assessments and the Bonds, and

1 to make such copies and memoranda from and with regard thereto as may be desired, in accordance
2 with the provisions of the applicable public record laws of the State.
3

4 Section 4.07. Annual Audit. The Town Commission shall, within one year after the end of
5 each Fiscal Year, or such earlier date as may be required by law, cause the financial records of the
6 Town (which shall include the Bonds) for the preceding Fiscal Year to be audited by an
7 independent firm of certified public accountants. A copy of the audit report shall be furnished by
8 the Town to each Insurer and to any Owner of any Bond who shall have requested in writing that
9 a copy of such audit be furnished to such Owner.
10

11 Section 4.08. Compliance with Tax Requirements. The Town will comply with the
12 applicable requirements of the Code to the extent necessary to preserve any exclusion of interest
13 on any Tax-Exempt Bonds from gross income of the Owners for federal income tax purposes.
14

15 Notwithstanding any other provision of this Resolution, the Trust Estate may be used to
16 satisfy the Town's obligations under this Section 4.08 provided that such use does not impair the
17 Town's ability to pay the principal of and interest on the Bonds as the same becomes due and
18 payable.
19

20 Section 4.09. No Impairment of Amendment of Special Assessments. The Town covenants
21 that it will not take any action, or omit to take any lawful action within its power, that would impair
22 the levy and collection of the Special Assessments in amounts sufficient to timely pay the principal
23 of and interest on the Bonds.
24

25 **ARTICLE V**

26 **REVENUES AND FUNDS**

27
28
29 Section 5.01. Bonds Secured by Lien on Special Assessments. The Bonds shall be payable
30 from and shall be secured solely by, and the Town hereby grants to the Owners, a lien on and
31 pledge of the Special Assessments, and, subject to application thereof as provided herein, any
32 amounts held in the funds and accounts established hereunder. The Town covenants that until all
33 Outstanding Bonds shall have been paid or provision made for their payment, except as provided
34 by this Resolution it will not create or permit to exist any pledge of or lien on the Trust Estate,
35 whether ranking prior to, equal with or subordinate to the pledge of and lien thereon created
36 pursuant to this Resolution. The Bonds and the obligations evidenced thereby shall not be general
37 obligations or indebtedness of the Town but shall be limited obligations payable solely from the
38 sources provided herein. No Owner shall ever have the right to compel the exercise of any ad
39 valorem taxing power of the Town to pay the Bonds or the interest thereon except as provided
40 herein, or to make any other payments provided for in this Resolution, or be entitled to payment
41 of such principal and interest from any funds other than those pledged herein for such purpose.
42 The Bonds shall not constitute a lien upon any of the real or personal property of the Town other
43 than the Trust Estate.
44

45 Section 5.02. Creation of Funds. Upon the issuance of the first series of Bonds there shall be
46 created and established the following funds to be held by the Paying Agent in trust upon the terms
47 and provisions hereof until such time as no Bonds are Outstanding (unless earlier closed in
48 accordance herewith):

- (a) A Bond Fund;
- (b) A Project Fund;
- (c) A Reserve Fund; and
- (d) A Cost of Issuance Fund.

Section 5.03. Disposition of Bond Proceeds. Proceeds from the sale of any series of Bonds shall be applied pursuant to a Supplemental Resolution adopted prior to the issuance of such series of Bonds.

Section 5.04. Disbursements From and Records of Cost of Issuance Fund. Amounts shall be deposited in the Cost of Issuance Fund pursuant to Supplemental Resolution(s). Amounts in the Cost of Issuance Fund shall be used to pay the costs of issuance of the Bonds. The Paying Agent shall make disbursements from the Cost of Issuance Fund only upon receipt of a Disbursement Approval signed by a Town Representative. Upon written certification to the Paying Agent by the Town that any funds remaining in the Cost of Issuance Fund are unnecessary for the purposes of such Fund, such funds shall be transferred first to the Reserve Fund to the extent of any deficiency therein and then to the Bond Fund, and the Cost of Issuance Fund shall then be closed.

Section 5.05. Payments into Project Fund. Amounts shall be deposited in the Project Fund pursuant to Supplemental Resolution(s).

Section 5.06. Disbursements from and Records of Project Fund; Completion Date.

(a) Monies in the Project Fund shall be used to pay the Cost of the Project as the same shall be incurred.

(b) The Paying Agent shall make disbursements from the Project Fund only upon receipt of a Disbursement Approval signed by a Town Representative. If so requested by the Town, after the Project Fund has been fully disbursed, the Paying Agent shall file copies of the records pertaining to the Project Fund and disbursements therefrom with the Town, provided that the Paying Agent shall keep such records until no Bonds remain Outstanding.

(c) The completion of the Project shall be determined by the Town Commission. Upon the completion of the Project and payment of all costs thereof that are to be paid from the Project Fund, as provided herein, or upon a determination of the Town that no further Costs of such Project shall be paid from the Project Fund, which determination shall be based in part upon a written opinion of Bond Counsel that such determination and the application of remaining amounts in such account in the Project Fund as hereafter set forth are permitted by the Act and do not legally impair the Town's ability to impose the Special Assessments, any unused proceeds of the Bonds remaining in the Project Fund shall be transferred first to the Reserve Fund to the extent of any deficiency therein and then to the Bond Fund to be applied to the payment of Bonds in accordance with Section 5.08 hereof. Any transfers from the Project Fund to the Bond Fund as provided in this Section 5.06(c) shall be made by the Paying Agent only upon the written direction of the Town, upon which the Paying Agent may conclusively rely.

1 Section 5.07. Payments into Bond Fund. The Town covenants and agrees to deposit to the
2 credit of the Bond Fund, as and when received, all Special Assessment proceeds, which amounts,
3 together with any other moneys on deposit therein, shall be sufficient to pay the principal and
4 interest on the Bonds as the same shall become due and payable whether at maturity or upon
5 proceedings for mandatory or optional redemption.
6

7 The Town shall not be required to make any further payments into the Bond Fund when the
8 aggregate amount on deposit therein is at least equal to the total amount of principal and interest
9 due or to become due on the then Outstanding Bonds until their scheduled maturity or redemption.
10

11 Section 5.08. Payments from Bond Fund. Moneys in an account of the Bond Fund shall be
12 used solely to pay principal and interest on the Bonds when due whether at maturity or upon
13 mandatory or optional redemption. The Paying Agent shall, from time to time, as principal and
14 interest on the Bonds shall become due, withdraw from the Bond Fund for payment to the Owners,
15 such amounts as shall be due and payable. If on the fifth business day prior to an Interest Payment
16 Date there shall be insufficient funds in the Bond Fund to pay debt service due on the Bonds on
17 such Interest Payment Date, the Paying Agent shall notify the Town and any Insurer of such Bonds
18 of the amount of such deficiency.
19

20 Section 5.09. Payments into Reserve Fund; Disbursements. There shall be deposited in the
21 Reserve Fund the amount, if any, set forth in a Supplemental Resolution. No further payments
22 shall be required to be made into the Reserve Fund as long as there shall be on deposit therein an
23 amount equal to the Reserve Fund Requirement. If at any time the amount on deposit in the Reserve
24 Fund is less than the Reserve Fund Requirement, the Issuer shall restore such deficiency from the
25 first Special Assessment proceeds available after all required current payments pursuant to Section
26 5.07 hereof have been made in full. If at the time of any valuation of amounts on deposit in the
27 Reserve Fund pursuant to Section 6.01(c) hereof the amount on deposit in the Reserve Fund
28 exceeds the Reserve Fund Requirement, the excess amount shall be deposited into the Bond Fund.
29

30 Moneys in the Reserve Fund shall be used only for the purpose of making payments into the
31 Bond Fund to the extent the amounts otherwise therein are insufficient for the purposes established
32 for the Bond Fund. If at any time there shall be insufficient funds in the Bond Fund to fulfill the
33 requirements established therefor, the Paying Agent shall transfer from the Reserve Fund and
34 deposit into the Bond Fund an amount equal to such deficiency.
35

36 Section 5.09. Nonpresentment of Bonds; Disposition of Unclaimed Money. In the event any
37 Bond shall not be presented for payment when the principal thereof becomes due, if funds
38 sufficient to pay any such Bond shall have been made available to the Paying Agent for the benefit
39 of the Owner thereof, all liability of the Town to the Owner thereof for the payment of such Bond
40 shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty
41 of the Paying Agent to hold such funds, without liability for any subsequent interest thereon, for
42 the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds
43 for any claim of whatever nature on the part of such Owner under this Resolution or on, or with
44 respect to, such Bond. Any moneys so deposited with and held by the Paying Agent for the
45 payment of Bonds not so claimed within seven years after the date the payment of such Bonds
46 shall have become due, whether at maturity or otherwise, shall be presumed abandoned and shall
47 be returned to the Town, and the Town shall comply with the provisions of Chapter 717, Florida
48 Statutes, or any successor thereof, in respect of such moneys.

1 Section 5.10. Moneys To Be Held in Trust. Subject to the provisions hereof concerning
2 amounts in the Funds, all moneys required to be deposited with or paid to the Paying Agent for
3 the account of any fund referred to in any provision of this Resolution shall be held by the Paying
4 Agent in trust for the benefit of the Owners.

5
6 Section 5.11. Repayment to Town From Funds. Any amounts remaining in the Bond Fund
7 (except amounts held by the Paying Agent pursuant to Section 5.09 hereof), Project Fund (after
8 the completion of the Project pursuant to Section 5.06 hereof), Reserve Fund or Cost of Issuance
9 Fund, after the payment in full of the principal of and interest on the series of Bonds to which such
10 accounts relate, the fees, charges and expenses of the Town and the Paying Agent and all other
11 amounts required to be paid hereunder, shall be paid to the Town.

12
13 Section 5.13. Application of Funds Upon Refunding. Notwithstanding any other provision
14 hereof, in the event of a refunding of Bonds of a series, amounts in the Bond Fund in excess of
15 amounts needed to pay debt service on Outstanding Bonds not being refunded and amounts in the
16 Reserve Fund in excess of the Reserve Fund Requirement may at the written direction of the Town
17 be applied by the Town to the payment of the Bonds being refunded.

18
19 In addition to the foregoing, amounts on deposit in the Bond Fund, Reserve Fund and Project
20 Fund, as aforesaid, may also be applied to such other use as directed by the Town in writing,
21 provided that the Town shall have received an opinion of Bond Counsel to the effect that such use
22 is permitted by the Act, and would not adversely affect the levy and collection of the Special
23 Assessments or any exclusion from gross income of interest on any Tax-Exempt Bonds.

24 25 **ARTICLE VI**

26 27 **INVESTMENT OF MONEYS**

28 29 Section 6.01. Investment of Moneys.

30
31 (a) Any moneys held as part of any Fund shall be invested and reinvested by the
32 Paying Agent, at the written direction of the Town (or oral direction promptly confirmed in
33 writing) in Qualified Investments maturing at such times and in such amounts as shall enable
34 the Town to make timely payment of all amounts due hereunder. Any such Qualified
35 Investments shall be held by or under the control of the Paying Agent. The Paying Agent
36 shall sell and reduce to cash such Qualified Investments upon the direction of the Town, but
37 in any event at such times as are necessary to timely make all payments required hereunder.
38 Investments and earnings and losses thereon in each fund and account hereunder shall be a
39 part of such fund or account except as otherwise set forth herein.

40
41 (b) If the Town does not provide directions to the Paying Agent for investment
42 of funds in accordance with the requirements hereof, the Paying Agent shall hold such
43 moneys un-invested and promptly request investment instructions from the Town. In making
44 investments hereunder, or in selling or disposing of investments as required hereby, the
45 Paying Agent shall be fully protected in relying solely upon the directions of the Town as
46 aforesaid. Under no circumstances whatsoever shall the Paying Agent be liable to the Town
47 or any Owner for any loss of tax-exempt status of the Tax-Exempt Bonds, or any claims,
48 demands, damages, liabilities, losses, costs or expenses resulting therefrom or in any way

connected therewith, including for any losses on any investments, so long as the Paying Agent acts only in accordance with the directions of the Town as provided hereunder.

(c) For the purpose of determining the amount on deposit in any Fund, investments therein shall be valued at fair market value.

ARTICLE VII

DISCHARGE OF LIEN

Section 7.01. Discharge of Lien. If the Town shall pay or cause to be paid to the Owners of the Bonds the principal of and interest due or to become due on all of the Bonds at the times and in the manner stipulated therein and herein, then these presents and the estate and rights hereby granted shall cease, determine and be void, whereupon the Paying Agent shall, upon demand of the Town, execute and deliver to the Town such instruments in writing, if any, as shall be requisite to release the lien hereof, and reconvey, release, assign and deliver unto the Town any and all of the Trust Estate, except for amounts held by the Paying Agent for the payment of the principal of and interest on the Bonds. Notwithstanding the foregoing, those provisions of this Resolution and any Supplemental Resolution relating to the maturity of the Bonds, interest payments and dates thereof, redemption provisions, exchange, transfer and registration of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, nonpresentment of Bonds, the holding of moneys in trust, and the duties of the Paying Agent in connection with all of the foregoing shall remain in full force and effect and shall be binding upon the Paying Agent and the Owners notwithstanding the release and discharge of the lien of this Resolution. Any written instrument as shall be requisite to release the lien of this Resolution as described in the first sentence hereof shall be prepared by the Town, at its expense, and provided to the Paying Agent for execution by the Paying Agent.

Any Bond shall be deemed to be paid within the meaning of this Article and for all purposes of this Resolution when (a) payment of the principal of and interest thereon to the due date thereof (whether such due date is by reason of maturity or upon redemption as provided herein) either (i) shall have been made or caused to be made in accordance with the terms hereof, or (ii) shall have been provided for by irrevocably depositing with the Paying Agent, in trust and irrevocably setting aside exclusively for such payment (1) moneys sufficient to make such payment and/or (2) Governmental Obligations maturing as to principal and interest in such amounts and at such times as will insure the availability of sufficient moneys to make such payment, and (b) all fees and expenses of the Paying Agent pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Paying Agent. At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, such Bond shall no longer be secured by or entitled to the benefits of this Resolution, except for the purposes of any such payment from such moneys or Governmental Obligations.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed a payment of any such Bond as aforesaid until (I) proper and irrevocable notice is given by the Town to the Paying Agent to give proper notice of redemption of such Bond and to redeem such Bond in accordance with Article III of this Resolution, (II) in the event such Bond is not to be redeemed within the next succeeding sixty days, until the Town shall have given the Paying Agent, in form satisfactory to the Paying Agent, irrevocable instructions to notify, as

1 soon as practicable, the Owner(s) of the Bond that the deposit required by (a)(ii) above has been
2 made with the Paying Agent and that said Bond is deemed to have been paid in accordance with
3 this Article VII and stating the maturity or redemption date upon which moneys are to be available
4 for the payment of the principal of and interest thereon to the due date thereof, and (III) the Paying
5 Agent shall have received an opinion of Bond Counsel, addressed to at least the Town and Paying
6 Agent, to the effect that such deposit and use will not in and of itself adversely affect any exclusion
7 from gross income of the Owners for federal income tax purposes of the interest on any Tax-
8 Exempt Bonds issued hereunder.

9
10 All moneys so deposited with the Paying Agent as provided in this Article may at the
11 direction of the Town be invested and reinvested in Governmental Obligations, maturing in the
12 amounts and times as hereinbefore set forth. Notwithstanding any provision of any other Article
13 of this Resolution which may be contrary to the provisions of this Article VII, all moneys or
14 Governmental Obligations set aside and held in trust pursuant to the provisions of this Article for
15 the payment of Bonds shall be applied to and used solely for the payment of the particular Bonds
16 with respect to which such moneys and Governmental Obligations have been so set aside in trust,
17 provided, that any amounts held by the Paying Agent pursuant to this Article VII which are not
18 required for the payment of the principal and interest thereon with respect to which such moneys
19 shall have been so deposited shall be deposited in the Bond Fund as and when realized and
20 collected for use and application as are other moneys deposited in such account of the Bond Fund,
21 provided that if all the Bonds shall have been paid any such amounts shall be paid to the Town.

22
23 Anything in Article IX hereof to the contrary notwithstanding, if moneys or Governmental
24 Obligations have been deposited or set aside with the Paying Agent pursuant to this Article for the
25 payment of Bonds and such Bonds shall not have in fact become due and payable, no amendment
26 to the provisions of this Article shall be made without the consent of the Owner of each Bond
27 affected thereby.

28
29 No deposit under clause (a)(ii) of the second paragraph of this Section 7.01 shall be deemed
30 a payment of Bonds as aforesaid until, in addition to the other items required by this Section 7.01,
31 the Paying Agent shall have received (x) a report of an independent certified public accountant
32 selected by the Town, and addressed to at least the Paying Agent, and verifying the mathematical
33 accuracy of calculations performed by or on behalf of the Town demonstrating the sufficiency of
34 the Governmental Obligations and/or cash deposited with the Paying Agent to pay the principal of
35 and interest on the Bonds to their date of maturity or redemption as aforesaid and (y) an opinion
36 of Bond Counsel addressed to at least the Town and the Paying Agent to the effect that all
37 requirements hereof to the defeasance of such Bonds shall have been satisfied. The Paying Agent
38 may conclusively rely upon such report as establishing the sufficiency of such investments and
39 cash to make such payments.

40 41 **ARTICLE VIII**

42 43 **PAYING AGENT**

44
45 Section 8.01. Acceptance of Trusts. Prior to the issuance of Bonds hereunder the Town shall
46 appoint the Paying Agent and shall obtain a written acceptance of such Paying Agent of the duties,
47 obligations and trusts imposed upon the Paying Agent by this Resolution.

1 Section 8.02. Certain Rights of the Paying Agent. The duties, obligations and trusts imposed
2 upon the Paying Agent hereunder shall be subject to the following:
3

4 (a) Prior to the occurrence of an Event of Default, the Paying Agent undertakes
5 to perform such duties and only such duties of the Paying Agent as are specifically set forth
6 in this Resolution and no implied duties or obligations shall be imposed against the Paying
7 Agent. Subject to Section 8.10 hereof, during the occurrence and continuation of an Event
8 of Default the Paying Agent shall use the same degree of care and skill in the exercise of its
9 rights and powers hereunder as an ordinary prudent Paying Agent would exercise or use in
10 the conduct of its own affairs.
11

12 (b) The Paying Agent may execute any of the trusts or powers hereof and perform
13 any of its duties by or through attorneys, agents, receivers or employees, but shall be
14 answerable for the conduct of the same in accordance with the standard specified above, and
15 shall be entitled to advice of counsel concerning its duties hereunder, and may in all cases
16 pay such reasonable compensation to all such attorneys, agents, receivers and employees as
17 may reasonably be employed in connection with the trusts hereof. The Paying Agent may
18 act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the
19 Town) approved by the Paying Agent in the exercise of reasonable care. The Paying Agent
20 shall not be responsible for any loss or damage resulting from any action or inaction in good
21 faith in reliance upon such opinion or advice.
22

23 (c) The Paying Agent shall not be responsible for any recital herein or in the
24 Bonds (except with respect to the certificate of the Paying Agent endorsed on the Bonds), or
25 for the validity of this Resolution or of any supplements hereto or instruments of further
26 assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended
27 to be secured hereby, except as hereinafter set forth; but the Paying Agent may require of
28 the Town full information and advice as to the performance of the covenants, conditions and
29 agreements aforesaid and as to the condition of the Trust Estate.
30

31 (d) The Paying Agent shall not be accountable for the use of any Bonds
32 authenticated or delivered hereunder. The Paying Agent may become the Owner of Bonds
33 secured hereby with the same rights which it would have if not the Paying Agent.
34

35 (e) The Paying Agent shall be protected in acting upon any notice, request,
36 consent, certificate, order, affidavit, letter, telegram or other paper or document believed by
37 it to be genuine and correct and to have been signed or sent by the proper person or persons.
38

39 (f) As to the existence or nonexistence of any fact or as to the sufficiency or
40 validity of any instrument, paper or proceeding, the Paying Agent shall be entitled to rely
41 upon a certificate signed by the Town Representative as sufficient evidence of the facts
42 therein contained and shall also be at liberty to accept a similar certificate to the effect that
43 any particular dealing, transaction or action is necessary or expedient, but may at its
44 discretion secure such further evidence deemed by it to be necessary or advisable, but shall
45 in no case be bound to secure the same. The Paying Agent may accept a certificate of the
46 officials of the Town who executed the Bonds (or their successors in office) under the seal
47 of the Town to the effect that a resolution in the form therein set forth has been adopted by

1 the Town as conclusive evidence that such resolution has been duly adopted and is in full
2 force and effect.

3
4 (g) The permissive right of the Paying Agent to do things enumerated in this
5 Resolution shall not be construed as a duty, and the Paying Agent shall not be answerable
6 for other than its negligence or willful default.

7
8 (h) The Paying Agent shall not be required to give any bond or surety in respect
9 of the execution of the said trusts and powers or otherwise in respect of the premises.

10
11 (i) With respect to the withdrawal of any cash, the release of any property or any
12 action whatsoever within the purview of this Resolution, the Paying Agent shall have the
13 right, but shall not be required, to demand any reasonable showings, certificates, opinions,
14 appraisals or other information, or corporate action or evidence thereof, in addition to that
15 by the terms hereof required as a condition of such action, deemed desirable by the Paying
16 Agent provided that this subsection 8.02(i) shall not limit the obligation of the Paying Agent
17 to comply with the provisions hereof, and in particular, those with respect to payment of the
18 Bonds.

19
20 (j) All moneys received by the Paying Agent shall, until used or applied or
21 invested as herein provided, be held in trust for the purposes for which they were received,
22 but need not be segregated from other funds except to the extent required by law.

23
24 (k) The Paying Agent shall not be liable for any error of judgment made by it in
25 good faith unless it shall be proved that the Paying Agent was negligent in ascertaining the
26 pertinent facts.

27
28 (l) No provision of this Resolution shall require the Paying Agent to expend or
29 risk its own funds or otherwise incur any financial liability in the proper performance of any
30 of its duties hereunder or in the exercise of any of its rights or powers.

31
32 (m) The Paying Agent shall not be responsible or liable for any loss suffered in
33 connection with any investment made in accordance herewith which is made at the
34 instruction of the Town.

35
36 (n) The Paying Agent shall provide to any Owner, upon written request, upon
37 payment of any reasonable fee, copies of any documents deposited with the Paying Agent
38 by the Town pursuant to this Resolution.

39
40 Section 8.03. Fees, Charges and Expenses of Paying Agent. The Paying Agent shall be
41 entitled to payment and reimbursement for reasonable fees for services rendered hereunder and all
42 advances, counsel fees and other expenses reasonably made or incurred by the Paying Agent in
43 connection with such services, and the Town agrees to pay such fees from legally available moneys
44 of the Town, provided that the Town shall not be required to pay any counsel fees or other expenses
45 incurred by the Paying Agent as a result of the Paying Agent's own negligence or willful
46 misconduct.

1 Section 8.04. Successor Paying Agent. Any Person into which the Paying Agent may be
2 merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust
3 business and assets as a whole or substantially as a whole, or any Person resulting from any such
4 merger, consolidation, sale or transfer to which it is a party, shall be and become successor Paying
5 Agent hereunder and vested with all of the title to the Trust Estate and all the trusts, powers,
6 discretions, immunities, privileges and all other matters as was its predecessor, without the
7 execution or filing of any instrument or any further act, deed or conveyance on the part of any of
8 the parties hereto, anything herein to the contrary notwithstanding. All covenants and stipulations
9 herein shall inure to the benefit of and be available to the successors and assigns of Paying Agent.
10

11 Section 8.05. Resignation by Paying Agent. The Paying Agent may at any time resign from
12 the trusts hereby created by giving sixty days' written notice by registered or certified mail to the
13 Town. In case at any time the Paying Agent shall resign and no appointment of a successor Paying
14 Agent shall be made pursuant to the foregoing provisions of this Article VIII prior to the date
15 specified in the notice of resignation as the date when such resignation is to take effect, the
16 resigning Paying Agent shall forthwith apply to a court of competent jurisdiction for the
17 appointment of a successor Paying Agent. Such resignation shall only become effective upon the
18 appointment of a successor Paying Agent.
19

20 Section 8.06. Removal of Paying Agent. The Paying Agent may be removed at any time by
21 an instrument or concurrent instruments in writing signed by an authorized Town Representative
22 and delivered to the Paying Agent, such removal to become effective only upon the appointment
23 of a successor Paying Agent.
24

25 Section 8.07. Appointment of Successor Paying Agent. In case the Paying Agent shall resign,
26 be dissolved or be removed, a successor shall be appointed by the Town. Every such Paying Agent
27 appointed pursuant to the provisions of this Section shall be a financial institution with powers of
28 a trust company within the State in good standing, authorized by law to perform the duties required
29 of it hereunder.
30

31 Section 8.08. Acceptance by Any Successor Paying Agent. Every successor Paying Agent
32 appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the
33 Town an instrument in writing accepting such appointment hereunder, and thereupon such
34 successor, without any further act, deed or conveyance, shall become fully vested with all the
35 estates, properties, rights, powers, trusts, duties and obligations of its predecessor. Such
36 predecessor shall, nevertheless, on the written request of the Town, or of its successor, execute and
37 deliver an instrument transferring to such successor all the estates, properties, rights, powers and
38 trusts of such predecessor hereunder. Every predecessor Paying Agent shall deliver all securities
39 and moneys held by it as Paying Agent hereunder to its successor. Should any instrument in writing
40 from the Town be required by any successor Paying Agent for more fully and certainly vesting in
41 such successor the estate, rights, powers and duties hereby vested or intended to be vested in the
42 predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged
43 and delivered by the Town. The predecessor Paying Agent shall retain the right to any fee or
44 charges due and owing to such predecessor Paying Agent.
45

46 Section 8.09. Accounting by Paying Agent. Upon request of the Town, the Paying Agent
47 shall render in a timely manner a full accounting of any funds held by it from time to time pursuant
48 to this Resolution.

1 Section 8.10. Responsibilities of Paying Agent - Default. The Paying Agent is not required
2 or authorized by this Resolution to take any action upon the occurrence of an Event of Default
3 except as expressly set forth in this Resolution or a Supplemental Resolution. This Section 8.10
4 may not be amended without the prior written consent of the Paying Agent.
5

6 ARTICLE IX

7 SUPPLEMENTAL RESOLUTIONS

8
9
10 Section 9.01. Limitations. Prior to the issuance of Bonds hereunder, this Resolution may be
11 amended, revised or revoked, in whole or in part, by subsequent resolution of the Town. This
12 Resolution shall not be modified or amended in any respect subsequent to the issuance of Bonds
13 hereunder except as provided in and in accordance with this Article IX.
14

15 Section 9.02. Supplemental Resolutions Not Requiring Consent of Owners. After the
16 issuance of Bonds hereunder, the Town may, without consent of or notice to any Owner, enact one
17 or more Supplemental Resolutions for any one or more of the following purposes:
18

19 (a) To cure any ambiguity or formal defect or omission in this Resolution;
20

21 (b) To grant to or confer upon the Owners or the Paying Agent for the benefit of
22 the Owners any additional rights, remedies, powers or authorities that may lawfully be
23 granted to or conferred upon the Owners or the Paying Agent;
24

25 (c) To subject to this Resolution additional revenues, properties or collateral or
26 to add to the covenants and agreements of the Town herein set forth other covenants and
27 agreements hereafter to be observed by the Town or to surrender any right or power herein
28 reserved to or conferred upon the Town;
29

30 (d) To modify, amend or supplement this Resolution or any Supplemental
31 Resolution in such manner as to permit the qualification hereof and thereof under the Trust
32 Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, or to
33 permit the qualification of the Bonds for sale under the securities laws of any of the states or
34 of the United States of America, or to achieve compliance of the Bonds with applicable
35 federal tax law;
36

37 (e) In connection with any other change herein which, in the judgment of the
38 Town, is not materially adverse to the Paying Agent or the Owners;
39

40 (f) To provide for the issuance of additional series of Bonds without amending
41 the substantive provisions of this Resolution.
42

43 Section 9.03. Supplemental Resolutions Requiring Consent of Owners. Exclusive of
44 Supplemental Resolutions permitted by Section 9.02 hereof and subject to the terms and provisions
45 contained in this Section, and not otherwise, the Owners of more than fifty percent in aggregate
46 principal amount of the Outstanding Bonds shall have the right, from time to time, anything
47 contained in this Resolution other than in this Article IX to the contrary notwithstanding, to
48 consent to and approve the adoption by the Town of such other Supplemental Resolutions as shall

1 be deemed necessary and desirable by the Town for the purpose of modifying, altering, amending,
2 adding to or rescinding, in any particular, any of the terms or provisions contained in this
3 Resolution or in any Supplemental Resolution; provided, however, that nothing in this Article IX
4 shall permit, or be construed as permitting, without the written consent of the Owners of all Bonds
5 Outstanding that are affected thereby, (a) an extension of the maturity of the principal of, or the
6 interest on, any Bond issued hereunder, or (b) a reduction in the principal amount of or the rate of
7 interest on, any Bond, or (c) a privilege or priority of any Bonds over any other Bonds, or (d) a
8 reduction in the aggregate principal amount of the Bonds required for consent to such
9 Supplemental Resolutions, or (e) the creation of any lien ranking prior to or on a parity with the
10 lien of the Bonds on the Trust Estate or any part thereof, except as hereinbefore expressly
11 permitted, or (f) the deprivation of the Owner of any Outstanding Bond of the lien hereby created
12 on the Trust Estate.
13

14 If at any time the Town shall determine that it is desirable to adopt any such Supplemental
15 Resolution for any of the purposes of this Section, the Paying Agent shall, upon being satisfactorily
16 indemnified with respect to expenses, cause notice of the proposed execution of such Supplemental
17 Resolution to be given by Mail to each Owner. Any notice mailed as provided in this Section shall
18 be conclusively presumed to have been duly given, whether or not the Owner receives the notice.
19 Such notice shall briefly set forth the nature of the proposed Supplemental Resolution and shall
20 state that copies thereof are on file at the Principal Office of the Paying Agent for inspection by all
21 Owners. If the Owners of more than the required percentage in aggregate principal amount of the
22 Bonds Outstanding shall have in writing consented to and approved the adoption thereof as herein
23 provided (which consent and approval shall, if given, be irrevocable), no Owner shall have any
24 right to object to any of the terms and provisions contained therein, or the operation thereof, or in
25 any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Paying
26 Agent or the Town from executing the same or from taking any action pursuant to the provisions
27 thereof. Upon the adoption of any such Supplemental Resolution as in this Section permitted and
28 provided, this Resolution shall be and be deemed to be modified and amended in accordance
29 therewith. A Supplemental Resolution may be adopted by the Town prior to obtaining the requisite
30 consent of Owners provided that the effectiveness of such Supplemental Resolution is conditioned
31 upon the obtaining of such consent.
32

33 Section 9.04. Required Opinion of Bond Counsel. The Town shall not adopt any
34 Supplemental Resolution unless the Town, each Insurer and the Paying Agent have received an
35 opinion of Bond Counsel to the effect that such action is permitted hereunder and will not impair
36 any exclusion of the interest on the Tax-Exempt Bonds from gross income for federal income tax
37 purposes. The Town and the Paying Agent may rely upon an opinion of Bond Counsel to the effect
38 that any such Supplemental Resolution is permitted by the provisions of this Article IX.

Section 10.03. Severability. If any provision of this Resolution shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable in any context, the same shall not affect any other provision herein or render any other provision (or such provision in any other context) invalid, inoperative or unenforceable to any extent whatever.

9 Business Day, with the same force and effect as if made on the date of maturity or the date fixed
10 for redemption.
